PROFESSIONAL SUMMARY

Passionate MERN Stack Developer with expertise in designing and building scalable web applications using MongoDB, Express.js, React, and Node.js. Skilled in developing RESTful APIs, implementing responsive designs, and managing databases. Known for strong problem-solving abilities and a commitment to writing clean, efficient, and maintainable code

EDUCATION

Full Stack Web Development 02/2025 – Present
Masai School, Bengaluru, India

Bachelor of Science in Computer Science 02/2021 – 06/2024
Sri Venkateswara University

SKILLS

Programming Languages

Python

Backend

Node.js, Express.js, Firebase

Tools & Platforms

VS Code, GitHub, Jupyter

Soft Skills

Communication, Problem-solving, Adaptability, Time-management

Frontend

HTML, CSS, JavaScript(ES6+), React.js, Tailwind CSS, Bootstrap, Redux

Databases

MongoDB

Other

Data Structures & Algorithms, OOPs Concepts, Analytical Skills

PROJECTS

StudyGenie AI-Powered Study Companion

React JS, Node.js, MongoDB, Tailwind CSS, JavaScript, Razorpay

- Built a responsive web app — **Study Genie** using Vite + React for a fast and modern development experience.
- Integrated interactive tools and personalized study plans to help students master subjects effectively.
- Implemented modular components and state management for clean, maintainable, and scalable code.
- Focused on seamless UI/UX to ensure a smooth learning experience across all devices.
